

## WHAT TO WEAR: BOOTS & BLING

### Western flair meets gala sparkle!

There's no one right way to dress for Boots & Bling. Come festive, come fancy, come Western—or mix it all together.

### Jeans + Cowboy Boots

Add a great shirt, jacket, hat or a little bling.

### Cocktail + Country

A cocktail dress with cowboy boots and rhinestones? Absolutely.

### Business Formal + Western Flair

Dress it up and add boots, a hat, turquoise, fringe or sparkle.

### Gala Glam

Love an excuse to wear a beautiful gown? Wear it! Boots optional, bling encouraged.

### Western Chic

Denim, boots, hats, bolo ties, belt buckles—make it your own.

**From denim to diamonds, cocktail dresses to gowns—anything goes.**

The idea is simple: **dress up, have fun, and add a little Boots & Bling!**

*P.S. A tuxedo might be a little more “black tie” than “Boots & Bling”—but we’re certainly not turning anyone away for looking fabulous.*
